

UPPING YOUR ELVIS

Leading for Creative Impact.

How to build and lead a culture that stands out, encourages everyday creativity and delivers extraordinary results.

Boost to your confidence in all things creative.

Learn how to create the perfect conditions for creativity, by answering the question, 'what's needed here?'

Become unmissable in your ability to inspire and enable others to deliver creatively.

This program is packed full of inspiration and behaviours that will transform the way you show up and lead for unmissable creative work. It is built around four key principles:

GET THE ESSENTIALS RIGHT.

Understand the essentials that make work creative, fun and easy.

GET LASER FOCUSED. Use your energy and creative leadership on the things that matter.

GO DEEP. Learn how to unlock more of your subconscious, system one, genius.

SPREADING THE LOVE. Create the conditions that will unlock the unmissable creative genius in your teams.
